PROFESSIONAL SUMMARY

Results-driven Growth & Digital Marketing Professional with 4+ years of experience driving user acquisition, retention, and revenue growth through data-backed strategies. Proven expertise in performance marketing, organic lead generation, multi-platform campaign execution, influencer marketing, and account management across domestic and international markets. Adept at identifying high-potential growth opportunities, executing A/B-driven experiments, and scaling successful campaigns across geographies. Experienced in managing cross-functional stakeholders to align marketing with broader business objectives - directly relevant to Swiggy's growth engine mandate.

CORE COMPETENCIES

Growth Strategy & User Retention • Performance Marketing (Google Ads, Meta Ads) • Campaign Planning & Execution • Organic & Paid Lead Generation • Influencer & Partnership Marketing • A/B Testing & Experimentation • Hyperlocal Marketing • Analytics & Reporting (Google Analytics) • Cross-functional Collaboration • Account & Client Management • Content Strategy • Business Development

PROFESSIONAL EXPERIENCE

Son of Swaad (Restaurant Chain)

June 2025 – Present

Digital & Social Media Marketing Head

- ▶ Spearheaded end-to-end growth marketing strategy across multiple outlets, driving measurable increase in footfall and digital revenue through integrated online-offline campaigns.
- ▶ Designed and executed hyperlocal marketing campaigns targeted at high-potential geographies, tailoring messaging to geo-specific consumer behaviors - resulting in outlet-level revenue growth.
- ▶ Planned and led influencer marketing campaigns by identifying, onboarding, and managing creators across categories; tracked campaign performance and optimized for reach, engagement, and conversion.
- ▶ Collaborated with cross-functional teams (operations, kitchen, front-of-house) to align marketing execution with business KPIs, mirroring multi-stakeholder environments in growth-focused orgs.
- ▶ Executed A/B tests on creative assets and content formats across platforms to identify top-performing creatives; scaled winning formats for broader audience deployment.
- ▶ Monitored campaign analytics via Google Analytics and platform-native dashboards; used data insights to continuously refine strategy and improve ROAS.

Fooracles – Digital Marketing Agency

June 2022 – June 2025

Account Manager & Social Media Strategist

- ▶ Strategized and managed full-funnel digital marketing campaigns for international clients across the US and Canada, achieving consistent organic lead generation and measurable business growth.
- ▶ Drove user growth and retention for client brands through data-driven social media strategies, audience segmentation, content personalization, and platform-specific optimization.
- ▶ Planned, promoted, and executed the Medequity Summit - an international webinar - using organic performance marketing across multiple platforms; delivered high-quality lead pipeline through targeted outreach and community engagement.
- ▶ Conducted campaign performance analyses, generated insights from audience data, and refined targeting strategies - directly paralleling the analytical decision-making required for growth roles.
- ▶ Managed multi-client accounts simultaneously, maintaining high service quality and on-time delivery through structured coordination with creative and content teams.
- ▶ Identified and captured new business opportunities by building long-term relationships with prospective clients across digital platforms, expanding market presence internationally.

Relationship Manager

- Managed a portfolio of clients focusing on retention, satisfaction, and cross-selling financial solutions — building foundational skills in customer lifecycle management directly applicable to user retention strategies.
- Provided personalized solutions for unsecured loan products through consultative communication, strengthening client trust and demonstrating high interpersonal effectiveness.

KEY PROJECTS

Medequity Summit – International Webinar Campaign*2023*

- **Growth Strategy:** Designed and executed a multi-platform organic growth campaign to drive registrations for an international healthcare webinar targeting US and Canada audiences.
- **Lead Generation:** Deployed manual and organic outreach through targeted audience engagement on LinkedIn, Instagram, and Facebook; generated high-quality, qualified leads that contributed directly to event attendance goals.
- **Performance Tracking:** Managed end-to-end execution - campaign planning, content scheduling, performance tracking, and post-event analysis - ensuring alignment with business objectives.
- **Impact:** Delivered strong reach, audience engagement, and webinar registrations, with the campaign recognized for its organic effectiveness across markets.

AWARDS & RECOGNITION

- Recognized for Outstanding Performance in Social Media Marketing for executing high-engagement, high-reach campaigns that drove brand visibility and measurable audience growth.
- Awarded for Excellence in Debate & Public Speaking at school and college level — reflecting strong communication, analytical thinking, and persuasion skills.
